

## THE LAST PAGE OF THE E—BOOK

The e-book that you are holding in your hand and which you will get home, will change whole your life. The life of your children will be changed and also your family will work better.

Your children will be happy, successful and balanced. Your family life will be changed in many areas and you – a mother on a maternity leave – you also start to appreciate yourself and you will happen to be the idol for your own children.

### In this e-book you will find:

- Concrete and practical solutions for difficult and different situations with your children.
- You will find out how to communicate with your children, to give them everything that is needed for a successful and happy life.
- You will teach yourselves how to apply a healthy parental authority.
- You will change the way of your thinking and by that you will change whole your life.
- You will not be any more a day by day worried parent, but you will be the parent who is full of strength and enjoyment.

This e-book is intended for all the parents, who want **MORE** for their children.
